

## **Sources for getting funded, an overview**

prepared by Cynthia J. Jameson, University of Illinois at Chicago

1. *Making the Right Moves. A Practical Guide to Scientific Management for Postdocs and New Faculty*, Chap 9. Second Edition, Burroughs-Wellcome Fund, Howard Hughes Medical Institute, available on line at

<http://www.hhmi.org/developing-scientists/making-right-moves>

### **2. How Not to Kill a Grant Application**

A series of articles from the archives of ScienceCareers

Part 1:

<http://www.sciencemag.org/careers/2000/01/murder-most-foul-how-not-kill-grant-application>

Part 2:

<http://www.sciencemag.org/careers/2000/01/abstract-killers-how-not-kill-grant-application-part-two>

Part 3:

<http://www.sciencemag.org/careers/2000/02/so-what-how-not-kill-grant-application-part-three>

Part 4:

<http://www.sciencemag.org/careers/2000/02/lost-sea-how-not-kill-grant-application-part-four>

Part 5:

<http://www.sciencemag.org/careers/2000/05/how-not-kill-grant-application-part-five-facts-case-thus-far>

Part 6 :

<http://www.sciencemag.org/careers/2000/08/how-not-kill-grant-application-part-6-developing-your-research-plan>

### **3. The NIH R01 Tool Kit**

<http://www.sciencemag.org/careers/2007/07/nih-r01-toolkit>

### **4. Proposal preparation NSF**

Proposal and Award Policies and Procedures (PAPP) Guide

Includes proposal preparation instructions for National Science Foundation:

[https://www.nsf.gov/pubs/policydocs/pappg17\\_1/nsf17\\_1.pdf](https://www.nsf.gov/pubs/policydocs/pappg17_1/nsf17_1.pdf)

NSF home:

<http://www.nsf.gov/index.jsp>

### **5. Ten Commandments of Private Foundations Grant Proposal**

<http://www.sciencemag.org/careers/2000/03/ten-commandments-private-foundation-grant-proposals>

### **6. Roster of NIH Study Sections**

<https://public.csr.nih.gov/studysections/standing/pages/default.aspx>

7. There is a list of funding directories in ScienceCareers:

<http://www.sciencemag.org/careers/where-search-funding>
